# Custom gas fire pits

Crystal Fire Burners are made from high quality stainless steel and include tempered glass gems and ignition controls. All standard burners are Australian Gas Approved for safety and quality. Crystal Fire™ Burners run for up to 8 plus hours using 9kg propane tank or can be hooked up to a natural gas line. With just the push of a button, a beautiful clean-burning fire appears atop a bed of tempered glass fire gems.

## Features

- Available for natural gas and LPG
- 1 year warranty or ignition
- Limited lifetime warranty on stainless steel
- Electronic battery operated ignition, or 240 volt
- Glass guard to enhance flame
- Can be installed in open weather areas

## MASTERS OF THE GREAT OUTDOORS

Master Fireplaces master's of the great outdoors brings you the ultimate choice in outdoor fireplace options. Whether you are looking for the ambience of a wood fire or the convenience of gas or bio fuel we have an outdoor adventure just waiting for you right in your own back yard. So sit back relax and enjoy exquisite nights entertaining family and friends.

# Jetmaster open wood outdoor fire

There is nothing quite like the ambience and beauty of an open fire and no fire will give you as much radiant heat as a Jetmaster with its solid steel firebox. You can even add our alfresco logpan feature, enjoy an open fire and then enjoy the incredible flavours of a wood-fired barbecue.

Optional stainless steel weather door

Alfresco logpan for wood fired grilling

## Features

- Hook on safety screen
- Minimal cleaning logpan
- Optional stainless steel door for weather protection

# Jetmaster outdoor gas fires for covered outdoor areas

Jetmaster outdoor gas fires can be used outdoors provided the outdoor area has a reasonable amount of cover over it. Designers please speak to our sales consultants as to what would be an acceptable covered area.

## Glamm fire ethanol outdoor fires

Master Fireplaces offer 3 sizes of mechanical ethanol fire burners for the outdoors. These burners fabricated with 304 grade stainless steel are designed to handle the severest of weather.

Much like the outdoor fire pits you create your own bespoke designs or choose from Glamm fires own ready made solutions. The Flut is a particularly unique fire designed for water bodies.
